

## HOW TO APPLY FOR PACIFICARE INDIVIDUAL PLANS

### You Are Now Ready to Apply

Here are the steps to follow to ensure your application is processed as quickly as possible.

#### 1. Complete the Enrollment Application

Be sure to answer all questions completely and provide all the requested information. Incomplete information may result in a processing delay.

- **Print clearly using black ink.** Please don't type on your form. You, as the applicant, must complete the application in your own handwriting.
- **Select the date you wish coverage to become effective.** PacifiCare allows effective dates beginning on the 1st or 15th of the month. Please submit your application by the 20th of the month to be considered for the 1st of the following month, or by the 5th to be considered for the 15th of the same month. Actual effective dates are determined by the Company. **Do not cancel any existing coverage until you are notified by PacifiCare or PacifiCare Life Assurance Company that you have been accepted.**
- **Select your method of payment – monthly debit or monthly direct bill.** Determine the amount of premium you need to submit with your application by referring to the Rate Card enclosed with this form.
  - If you and your Spouse are both applying, price yourselves individually and then add the two premiums together. Please add any Dependents, if applicable.
  - Be sure to include your first premium payment.
- **Complete the Primary Applicant Information section.** Please list yourself as the Primary Applicant and, if married, include your Spouse as a Dependent (if the Spouse is also applying). If the parent/guardian is applying for a child only, list the child's name as the Primary Applicant.
- **Complete the Enrollment Information section and list each family member applying.** All PacifiCare SignatureValue (HMO) applicants must select a Primary Care Physician from the enclosed *PacifiCare SignatureValue (HMO) Provider Directory*.

#### 2. Complete the Health Questionnaire

Answer every question in full. Otherwise, your application may be returned to you, resulting in a delay in processing.

- **Be sure to disclose all health history on the Health Questionnaire for all family members listed on the application.** Even if your application is approved, any omissions or false statements may result in future claims being denied and/or termination of your coverage.
- **Include all requested details and explanations.** If you need to include additional information or explanations, simply attach an extra sheet.
- If you do not meet the standard PacifiCare underwriting requirements for the plan you have applied for, you may be offered a different option. You are under no obligation to enroll.

#### 3. Send Your Completed Enrollment Application to PacifiCare
